A Flair for Fashions— With an Air of Youth!

Eaton's Junior Councillors,
Under the Direction of
Fashion Co-ordinator Lillian
Vadeboncoeur, Achieve a
Sparkling Success in Modelling
"What's New in Teen Fashions"

The afternoons of Tuesday to Friday, April 8 to 11, brought a scene of springtime elegance to Eaton's Grill Room at "teatime"—from 3:15 until about 4 p.m., with an added show Friday evening.

Eaton's Junior Councillors shown here, who are all high school and collegiate students, paraded on the runway in the Grill Room with the poise of experienced models, and with a vivacity and charm that are the prerogative of youth.

The creations in our pictures are only some of the more than fifty lovely dresses, suits, sportswear and coats with accessories, that the Councillors so gracefully and charmingly modelled. The costuming, direction and commentary were in the hands of Mrs. Lillian Vadeboncoeur, while our Display Department did their usual good work in designing and setting the modelling scene. The response to the event, which was accompanied by special tea menus in the Grill Room, was very enthusiastic both in numbers and appreciation of the show; a souvenir menu and fashion-description folder for the event being prepared for the occasion and given to all the guests.

Congratulations to the Councillors, as shown, left to right:

Mr. Alex Hewish Honoured on Promotion to Calgary Store Superintendency

Executives and managers of the Winnipeg organization gathered at the Fort Garry Hotel on the evening of Wednesday, April 23, to honour Mr. Alex Hewish on his appointment as Superintendent of the Calgary store. Mr. R. M. Pinfold, Assistant General Manager, was the chairman, and mentioned humorously that numerous such meetings of late had been to honour managers on reaching retirement and leisure years, but this was one where a man in the bloom of his years was being congratulated on taking up higher responsibility. Mr. Hewish, he reminisced, had spent only a little while after joining the Company, in the M.O. Packing, then had been whisked away as a good prospect to the Store Radio and Music Department. Progressing steadily there to Head of Department, he had been appointed Manager of Electricals in 1947 and held that position with great credit to himself and his department. His ap-

pointment to the Calgary store as Superintendent would, they knew, give him a wider field in which he would add further lustre to a distinguished career with the Company, and all their good wishes went with him. Mr. Pinfold then called on Mr. G. M. Eaton, Company Director, who added his own personal thanks and good wishes to the guest of the evening. Mr. Eaton then said that his Winnipeg colleagues wished Mr. Hewish to accept a tangible token of their regard, and made the presentation of the library desk pictured here. Mr. Hewish in accepting, said that his years with the Company here and in all areas where his work had reached, were happy ones and he knew that in Calgary he would find the same good fellowship and fine co-operation which had helped him in Winnipeg—and would be glad to see old friends whenever they were out there.

On Thursday, April 10, Mr. and Mrs. Hewish were guests of honour when the department staff and wives held a dinner and dance at the St. Charles Hotel. Also present were some Eatonians here from the Western Stores, and a number of Mr. Hewish's old friends from his present and past departments. Altogether the gathering

numbered about 90, with Mr. L. Waddell as chairman. On this occasion Mrs. Hewish was presented with roses and Mr. Hewish received the gift of an occasional chair from his department staff, with every good wish for health, happiness and success for him and Mrs. Hewish in their new home. By the way, while we doubt whether Mr. Hewish's one hobby, gardening will flourish better in that new home than in our own Winnipeg; Calgary is also a city where the home owners excel in lovely gardens. For his other hobby, photography—now in colour—he has Canada's greatest wonderland nearby for his camera—and may he have many happy times gathering its beauties for his collection.

GONE FISHIN'? . . . Time for Outings!

Our front cover celebrates the big event of the Spring season for many—opening of rivers and lakes to most kinds of fishing. Now we know that not everybody does go fishing, but we also know that the unfreezing of the rivers and lakes is all one with the coming of new leaves on the trees, tulips in the gardens, lilacs (those that escaped this season's frosts) bursting into bloom. So whether the fishing's good or not, at the moment—we salute the anglers because their season opens—and It's Spring!

EATON CURLERS AND WIVES HOLD SECOND ANNUAL DINNER-DANCE

Last year set such a happy and successful precedent that the Eaton Men's Curling Club did not hesitate to wind up this season with a similar event.

The Assiniboine Hotel was again the scene, on the evening of Wednesday, April 16, and the party taxed the capacity of the hall. President Bob Ferguson presided at the banquet and awards that followed the reception. Speeches were just right—few, bright and brief.

Present on behalf of the Manitoba Curling Association was its president, Mr. Bill Brett; and Miss Dora Perry, president, brought the greetings of Eaton's women curlers. Mr. F. G. Muirhead and Mr. B. C. Sutherland presented trophies and prizes, and the proceedings were well handled by vice-president Wally Reid.

Our pictures in this issue show the award-winning rinks that were not present among those caught by the camera for our last issue. Sports writer Jack Matheson of the Tribune, accompanied by Mrs. Matheson (whom, he said, he was fortunate enough to steal from us, she having been an Eatonian), brought greetings from the press, and was supported by Scotty Harper of the Free Press, in reply to the Toast to the Press proposed by Mr. D. McPherson. Jack Graham piped in the winners with that lilt to their step that only "the pipes" can give.

Altogether, the kind of happy event that gets us all looking forward to next time!

WAREHOUSE STAFF HONOURED AS EFFICIENCY CONTEST ENDS

It was again a gala night on Wednesday, April 30, as around 300 people met for the celebration banquet, presentations and entertainment—sequel to the Warehouse Efficiency Five-Months' Contest. Mr. H. R. Screamton, Assistant Superintendent, was the capable chairman, and introduced the head table guests. Another year, another recognition dinner, said Mr. Screamton, to appreciate the good work.

The important task of the warehouses, he added, was to get done the necessary work of getting the goods out right away and in good order, to keep customers satisfied and happy. He was pleased to say that we have been able recently to keep complaints on that service at an all-time low. In the contest, too, it was gratifying to see how well all had done and how close were the scores of the winners. Thanks for a most satisfactory job.

Mr. F. G. Muirhead presented the Division winner awards, and introduced Mr. D. Attwells, M.O. Carpets buyer, present from Toronto. It was a pleasant duty to make the awards, said Mr. Muirhead, and also complimented the judges and all who had co-operated—we all learn a great deal this way.

Mr. W. L. Palk, awarding the High Aggregate to Farm Implements, said that with the three divisional winners making 484, 489.5 and 495 marks, it was evident that work was of high calibre. Mr. B. C. Sutherland awarded the second high aggregate award to TV Shipping and suggested, with a smile, that the others had been "nosed out by Channel 3."

Pleasing entertainment was provided by Bob Byron, comedian-M.C.; Walter Faryon, accordionist, and the very capable "TV Wrestlers," St. John's Tech gymnastic team.

"TERRIFIC" IS THE WORD FOR THE ENTERTAINING SHOW OF OUR WOMEN'S CURLING LEAGUE!

It's a word that's greatly over-used, we know, but in this case we feel it is due to the Eaton curlers for the remarkable evening they planned to amuse the season's wind-up party.

After the reception, excellent banquet, and award of trophies and prizes, the variety entertainment produced was again a standout. All credit to the large number among their ranks who devoted so much time to the devising, costuming and presentation of the numerous ensembles and turns. We show glimpses of the fast-action items they offered—to the hilarious enjoyment of everyone, not least themselves. About 125 were present, members and guests.

Before we get on to the others, we must—as we know they would wish—give credit for the wonderful work of Alice Sisler at the piano. Mary Moore again acted as band leader and M.C., and did a duo singing turn with Betty Munro who also gave solos. Anne Survey as Al Jolson proved a real Hi-fi hit! As

pictured on the opposite page, the turns included the hill-billy band (altogether too attractive for that name, however) who played and sang in harmony; Hawaiian Five, Charleson Four, Barbershop Quartette, Four Old Maids on the Farm, and German Polka Duo.

Miss Dora Perry, president, was chairman and introduced the incoming president, Florence Park. Special guests and helping to award trophies and prizes, included Mrs. A. Prest, president of the Manitoba Women's Curling Association (who gave thanks for the best steak she had eaten at any banquet); Mr. and Mrs. J. Johnston, Mr. and Mrs. F. G. Muirhead, Mr. R. Ferguson (president, men's curling club) and Mrs. Ferguson, Mr. and Mrs. C. Sutherland, Mr. and Mrs. D. McPherson, Mr. and Mrs. W. E. Gray.

TWO HONOURED ON RETIREMENT MISS CORA BROOKS

A member of the Piece Goods staff, Miss Brooks retired on May 1 after joining Eaton's in May in 1922—just about 36 complete years' with the Company. Over 40 attended the department party in her honour, held at the Riviera, on April 30. Included were some former fellow-workers. On behalf of the Piece Goods and Patterns, Mr. T. H. Hancock, Manager, presented Cora with a hostess chair (see Department News). Mr. P. Odell read the many messages from western colleagues and former members of the departments. Cora also received many personal gifts. May

you be blessed with the very best in good health and happiness in your leisure years, Cora.

MAURICE H. COWLEY

Over 38 years have passed since Mr. Cowley started with Eaton's in 1919, and those years in the Men's Ready-to-Wear and Made-to-Measure Clothing have made him many friends, among both staff and customers. To honour him on his retirement, Mr. J. Paterson, on the morning of his anniversary, May 1, presented Maurice with a handsome portable radio, gift of the staff. On the evening of Wednesday, April 30, a stag party was held at the Assiniboine Hotel in his honour, when he was presented with an electric drill outfit. On this occasion flowers were sent to Mrs. Cowley. Every good wish for many happy, healthful years ahead, from your multitude of friends, Mr. Cowley.

EATONIANS IN THE NEWS

MR. T. M. MILLER (right), Department Manager, Western Division Public Relations, has been elected as Secretary-Treasurer of the newly formed Manitoba branch of the Canadian Public Relations Society. This branch was formed as a result of the recent visit of Mr. J. Brockie, Eaton's Public Relations Manager whose visit in the capacity of President of the Society was reported in our last issue.

DR. G. HOLMAN (left). Contacts wishes to congratulate Dr. Gerald H. Holman, winner of the John and Mary R. Markle Foundation grant of \$30,000 to assist him in his research work at Saskatchewan University. Gerry, who graduated in medicine at Manitoba University, was the first senior from among Eaton's high school Junior Executive ranks, and worked part time in our store through his high school and university years.

MR. H. R. SCREATON, Assistant Superintendent, was in the news recently in his capacity of President of Winnipeg Flying Club. He presented wings to no less than 84 members from many parts of Manitoba who have learned to fly in the last six months—the youngest pilot was 17 and the average age of this largest class ever, 22. A number of them are to go on training for commercial licences. "Flying is no frivolous venture," said Mr. Screamton. "Always remember to take utmost safety precautions."

FRANCES TEASE of our Deposit, Charge, etc., Accounts Office, was a busy girl the week of May 4, and before. Frances, who is past president of the Credit Women's Breakfast Club here, was conference chairman when the Consumer Credit Conference met here that week—about 300 attending.

JUNIOR EXECUTIVE ELECTIONS for the season were: BRIAN EARL elected Senior Executive for the 1958-59 term, to follow the present Senior Executive JOHN HODGES. Alternate Senior Executive is RICHARD MARK.

Brian is a Churchill High School student and works Saturdays in the Hardware. Richard is from Daniel Mac. and works Friday nights and Saturdays in our Men's Furnishings. John is a Churchill High School student and works in our Hosiery Department.

MISS ELIZABETH M. MOYER, whose poetry we quoted and noted in our March issue, has been receiving numerous congratulations on that particular poem—and we quote also from the Tribune, where it appeared: "Editor, The Tribune: You are to be congratulated for your fine editing of the excellent parody on Gray's Elegy . . . unique and undoubtedly has a continental appeal. . . . I have clipped it and intend to get it framed." Miss Moyer is to be congratulated, as well, in winning the Hypatia Toastmistress Club speech contest in March, and representing the club in the District competitions in April.

MR. ROGER HARDING, Principal Buyer of Neckwear for the Company, with Mrs. Harding, was in the local news when they came to Winnipeg recently for the celebration of the 80th birthday of Mr. Harding's father, April 8.

GORDON MUIRHEAD, not content with being among the Eaton Men's Curling winners with his rink, also was in the news at the Winter Club. With Archie Harrison, John Sutherland and Bill Thomson, he won the Johnson-Hutchinson trophy. Club Champions, no less! Congratulations.

Further congratulations to JOAN McTAVISH, mentioned in last issue. Her sets for the play "The Rainmaker," put on by the Winnipeg Little Theatre group, received praise by the critics as "admirable."

SARGENT PARK GREENS.
PLEASE BE ON TIME!

A GOOD TIME WAS "IN THE CARDS" . . .

although some said they weren't able to read any very good fortunes in theirs — when the Men's Bridge Club wound up the season on Monday evening, April 28, at Moore's.

Retiring President Bob Patterson, Furniture, presided over the evening's play and prize-giving, and Mr. Bruce Sutherland, Personnel Manager, was present to make the awards and bring greetings from Store Management and the Sir John C. Eaton Memorial Fund committee.

Shown here are, top left, Division "A" winners and Grand Champions, Vic Fotheringham and Roy Robinson; Mr. B. C. Sutherland holding the shield;

top right, Bill Lockwood and Wally Reid, "B" Division winners and runner-up pair in the finals. Prizes for the champions were cameras, and for the second pair, electric clocks. Bottom row, the evening's winners Jack Syme and Clare Loveridge, are congratulated by Mr. Sutherland and presented with lawn chairs.

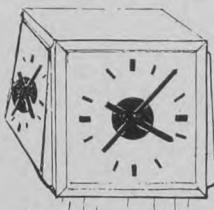

New officers, middle row: G. Rodway, Furniture, Secretary-Treasurer; W. Lockwood, Catalogue Distribution, M.O. representative; J. Ross, M.O. Men's Furnishings, President; Roy Robinson, Cash Office, Store representative.

President Patterson spoke to the group about the experiences for the season, and following his suggestions, several views were expressed by members for consideration of the new committee to add interest and action to next season's games.

HOCKEY LEAGUE WIND-UP PARTY

Friday, March 21, was the evening chosen by the dozens of active young men, who played in our hockey league, to sit back and take it easy, see a movie, and enjoy a get-together and a hearty repast! The scene was the Parker House, and special guest was Mr. B. C. Sutherland, Personnel Manager.

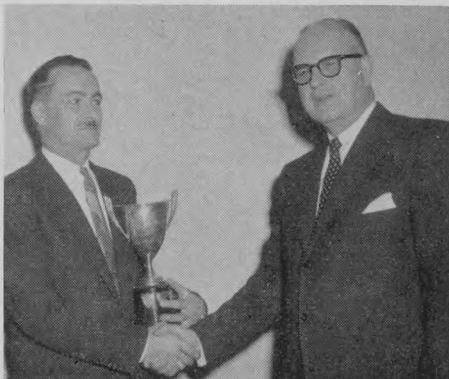

Mr. Sutherland presented the winner's trophy to Mr. Jim Dorman, coach of the victorious Red Wings, and congratulated all the players on their hard work and good sportsmanship in playing through the season. The gathering was presided over by Mr. D. McPherson, Recreational Adviser, who also managed the showing of the Grey Cup colour film — much enjoyed by the audience. "Now men, (says Doug) how about some baseball?"

"TIME MARCHES ON" . . . and the Old Clock Has Left Us!

We quote from the Eaton daily advertisement that introduced the new clock to our many friends: "You'll find a sleek modern beauty, well lighted, highly visible. It, and the new clocks over the elevators, represent a brand new, ultra-modern clock system for the store, all controlled by a master clock. We hope you'll continue saying to your friends

EATON WIVES' CURLING CLUB MEETS FOR THE SEASON'S CELEBRATION

The Parker House was the scene for the season-end party of the Eaton Wives' Curling Club on the evening of Tuesday, April 8. President Mrs. D. S. Marshall was the capable chairman, and Mrs. Etta Greenberg brought greetings from the Manitoba Ladies' Curling Association. Mr. R. Ferguson, Eaton Men's Curling Club president, brought greetings from the men.

The enjoyable reception and delicious dinner were followed by trophy and prize awards as shown on opposite page, and then a majority of the members went "all out" to provide everybody present with a quite delirious session of—shall we say charades?—which presented TV characters familiar to all local viewers. These included a ballet, Chinese Baby commercial, Lone Ranger and Tonto, Red Rose Chimpanzees, Blue Label Brand Cow. Also they gave a sequence of well-executed travesties of the antics of the wrestlers Mr. Moto and Mr. Hito, Yukon Eric and Prince Maiava and the Atomic Blonds. Commentator was Mrs. Len Swallow, assisted by Mr. Sutherland.

Special tribute was paid to one of the wives' entries in the Manitoba bonspiel — Mrs. Barry, Mrs. Clark, Mrs. Caldwell and Mrs. McClure—who stayed in long enough to be one of the nine unbeaten rinks before going down to defeat; also to Mrs. Mason who was a member of a Winnipeg rink that won the St. Paul, Minn., main event trophy. Acknowledgments were made of the two beautiful new trophies, the R. M. Pinfold and the F. G. Muirhead; also of eight prizes from the Men's Curling Club for the novelty bonspiel.

The chairman, on behalf of the members, thanked Mr. and Mrs. Bruce Sutherland for the lovely flowers on the head table. Special guests included Mr. and Mrs. Sutherland, Mr. and Mrs. D. McPherson, Mr. and Mrs. R. Ferguson. Winners of trophies were:

RETIRING EATONIANS' NEWS

Mr. and Mrs. W. McMillan Honoured on Golden Wedding.

Bill, retired from our Fruits and Vegetables Department, was an Eatonian for 35 years. He and his wife were married at Kilsyth near Glasgow, Scotland, in 1908, and arrived in Winnipeg in 1911. A reception was held in the happy couple's honour at the University Women's Club. May we add all our readers' warm congratulations and best wishes for continuing happy, healthful years to Mr. and Mrs. McMillan.

Mr. J. W. Pidgeon dropped in to see us—he's here on a visit to his daughter and family, accompanied by Mrs. Pidgeon. Jack retired from M.O. Packing and now lives at 3726 West 34th Street, Vancouver. Brought greetings to all our readers from Arthur Daw, M.O. Men's Hats; Charlie Turner, M.O. Packing; Jim Ross, M.O. Packing, and their wives—all well and happy. Jack also reported dropping in on Bill Webster (retired from M.O. Packing) since he arrived here. He had seen Mr. Webster at Grace Hospital on Tuesday, May 6, waiting for his operation. We are glad to say we hear Mr. Webster is coming along well.

THESE ARE THE "CONQUERING HEROES" (AND HEROINES)

There they are—the Division and Grand winners of the five Eaton Mixed Bowling League divisions—top trundlers in handicap play of this big league which includes over 300 bowlers, and among those a very large proportion whose "scratch" bowling puts them well up among the city's best. May be some lucky games, but any team or individual who tops the performances in the Eaton league just has to be good! Here's our report of the

Presentations were made to the teams that were successful as Division Winners, Grand Champions, Life Assurance winners and High Averages. These trophies and prizes were presented to the bowlers by Mr. B. C. Sutherland and Mr. F. G. Muirhead. The Zeros, as Grand Champions, received the large trophy which they will retain for a year, a smaller trophy for each member to keep, and all Division and Life Assurance team members get a photo of the team.

Division Two—Scotties

Division Three—Goldstreams

INES) OF THE 1957-58 EATON MIXED BOWLING LEAGUE

Two of the past presidents donated trophies to the league this year for high averages. George Firth donated the new trophy for the Ladies' High Average, won this year by Betty Stevenson, average of 226. Dave Mackie gave the one for the Men's High Average, won this year by E. Sigvaldason with an average of 233. It could be mentioned here that Betty tied last year for the high average, and that "Siggie" has had the high average for the past four years. These trophies are very lovely, and are for yearly competition, with each winner's name appearing on a shield as a permanent record.

Since it was the "swan song" of the president, E. Sigvaldason, he was presented with a special gift from the league for his outstanding service both as president and as treasurer. His work is by no means finished, for besides becoming the immediate Past President, he will also have the chore of polishing and keeping in shining order the beautiful Sheffield reproduction silver tea service and tray that he received. Please take note, Nellie!

Entertainment was provided by Roy Firth and Norma Vadeboncoeur accompanied by Eatonian Vic Taylor. Dancing in the Crystal Ballroom finished another memorable evening for the Eaton bowlers.

Shown across the page, below, are some views of the happy crowd, and among them may be seen Mr. and Mrs. Sigvaldason with the gift set; also Past President Dave Mackie with "Sig" after making the presentation.

Meats—By W. Cuthbert

Farewells were said to Jerry Ingimundson last month on his departure for Vancouver. He had been with us nearly 16 years. Before leaving, Jerry was guest of honour at a party held at the home of Mr. and Mrs. Henry Kuhn—an evening of fun and fine refreshments for which we thank these gracious hosts. Les Povey presented Mr. Ingimundson with a very smart sports coat, a real eye-catcher, and wished him a very happy future. On the day of departure flowers were sent to Betty on behalf of the department and Mr. Morrow, manager, presented Jerry with the department gift of unbreakable cups and saucers.

Congratulations to Mr. and Mrs. Walter Miller on the arrival of a third son on April 30. Cigars were the order of the day for Walter.

April 3 was a jubilant day for Wesley Alexander (shown below).

Wesley that day celebrated his 35th anniversary with the Company. All the staff gathered round in the morning to congratulate Wes, and on behalf of the department Mr. Morrow presented Mr. Alexander with the very modern, wonderfully compact transistor pocket radio we see, and wished him many more happy, healthful years with us. That goes for us all, Wes!

You'll see by the news in this issue that the big bowling season is over—and we are sorry to say no trophies were won by our gallant band of the alleys this year; lot of fun, anyway, and the cry is "Just wait till next year!"

Congratulations to Bert Ellis who has completed 35 years this month. We wish him many more years, with good health and happiness.

We are sorry to hear that Judy McBride, Filling Room, was badly burned in an accident which took place in her home. She is on the mend and we hope she will soon be back with us.

We are sorry to see Mary Larocque leave us. Mary is going to concentrate on house-keeping, but we shall be expecting to see her sometimes.

The word is that Elsie Cummers is recovering nicely from her operation. We shall be glad to see her back.

A breakfast was held at Moore's on April 14 to honour Ray Monteith on his move to the Children's Wear Departments. Mr. E. Free-

man thanked Ray for his contribution to the work of the department, and Mr. W. King made the presentation of an electric drill with the good wishes of all of us.

Our new signature, Mr. T. Martin, was welcomed into the department.

Our departments were well represented in the bowling play-offs. On the winning team of Division Three were O. Faraci, P. Briggs, M. Kinal and R. Gilkes; runners-up in Div. Five were M. Daulby, A. Flynn and R. Kent.

Welcome back to work, feeling fine after a minor operation, Olga Faraci.

At time of writing we are sorry to say that Irene Weeden is away ill. Hope you'll be in top shape very soon, Irene.

Glad to report Kay Joyce back "on the force" after a couple of weeks away under doctor's care. Just getting some much-needed rest.

We are happy to say that Zara Caldwell and Vie Low are back with us after being "down South" basking in the sun.

While talking about the South, would like to mention that Ruby McKay (Williams) is at time of writing, visiting relatives in Winnipeg and taking part in her sister's wedding. Ruby, a former section head and signature, is now residing in California, and directly after her sister's wedding will be scurrying back to her lonesome but happy groom. So nice to have seen you again, Ruby, and give our best to George.

Since the sudden change from nice to cold weather we find this an opportune time to drop in with a warm and cheery hello to Mr. Sam Williams (our former manager) and his wife. A remembrance from your "children."

Above, left to right: Gwen Thompson, 10, Senior Violin; Reva Ross, 16, Senior Piano; Ronald Haas, 16, Senior Accordion; Sherrill Harrison, 16, Senior Vocal.

Above, left to right: Joanne Mansoff, 12, General (cornet); Kerrine Wilson, 11, Junior Piano; Barry Mitchell, 11, Junior Accordion; Sonia Zyla, 11, Junior Violin; Louise Gillet, 12, Junior Vocal.

It took three solid days of Easter week for judges Mrs. Berythe Birse and John Melnyk to decide on the above nine winners of Eaton Good Deed Club scholarships—and no wonder! Out of the 375 young artists who had appeared on this past season's Good Deed weekly shows, over 300 attended the special auditions to compete for the scholarships.

These accomplished musicians appeared on a half-hour TV show sponsored by Eaton's, April 25, and later that evening were heard on CBW radio. In these days of discussion about young people, the earnestness of these and all who appeared on Good Deed shows, brings a happy note of good work and good example to youth. The items below will show what background study and willingness to work lie behind their success:

Still only 10 years old, Gwen Thompson, competing with others up to 12 years, won her

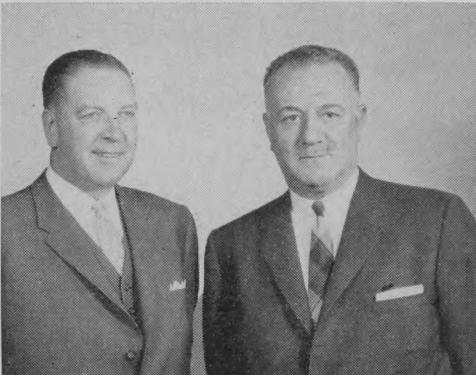

first Junior Violin scholarship at six; has competed the past four years in Senior and this year won it against others up to 16 years.

Ronald Haas has studied accordion seven years—this year was in two winning quartets at the Manitoba Music Festival. Builds radios as a hobby.

Kerrine Wilson, winning in a class of 75, is the daughter of singer Kerr Wilson. In her fifth year of piano study, at 11 years, this year takes grade 6 playing exams and grade 3 theory from Toronto Conservatory. Top marks and Swedish trophy in the Music Festival; also with brother Carlisle won the Festival's violin-and-piano duet class.

Louise Gillet, at age nine three years ago, won the Good Deed Junior Violin scholarship; won Toronto Conservatory grade 5 violin scholarship in 1955; also, on piano, won piano

Assistants Hold Final Dinner for Season

W. H. Finnbogason

Mr. W. H. Finnbogason, City Traffic Engineer, Speaker for the Evening, Monday April 14

Mr. Finnbogason, by the way, is brother of our own Mr. A. B. Finnbogason, assistant in Sales and Expense, who was present among the members.

After R.C.A.F. war service, said Mr. J. Marshall, chairman, the speaker of the evening had earned his degree at Manitoba University as a mechanical engineer, and had been with Canadian Westinghouse before coming to Winnipeg City Engineering service. Mr. Finnbogason, in his introductory remarks, welcomed this first opportunity to discuss his subject with people outside his own professional circles—especially a great Company who was the most consistent and biggest provider of traffic in the province. In this time of mechanized transport, he said, the problems of traffic were many and urgent—its access to movement channels, and the vital need for better knowledge and planning of how to achieve those channels, demanded correct data and projected ideas of how to use them—hence the recent survey.

The speaker had with him many charts and plans of present and planned routes, including proposed extension of one-way movement, and major items such as the Disraeli bridge and expressway—based on a population trend that would quite possibly reach nearly 800,000 for metropolitan Winnipeg by 1981. It was a wide subject, and the audience not only got information but also a look at the very real problem which faces Winnipeggers as citizens and taxpayers. A very cordial round of applause acclaimed their thanks to Mr. Finnbogason for a most interesting and explanatory evening.

Mr. Marshall welcomed new member Hector McDiarmid, Notions; and the officers balloted on during the evening were declared elected as follows: New President, J. Leighton, M.O. Men's Clothing; 1st Vice-President, Jack Baxter, Store Sporting Goods; 2nd Vice-President, Bill Lockwood, Catalogue Distribution. Committee members: W. Bemister, M.O. Hosiery; H. Bingham, M.O. Farm Implements; J. Bundy, M.O. Footwear; A. Finnbogason, Sales and Expense; A. Ramsay, Wages Office; G. Eisener, Electricals. The retiring president thanked all who had helped him during the season and wished Mr. Leighton and his colleagues a very successful term. By the kind permission of management, said Mr. Marshall, Wednesday afternoon, May 14, had been secured for the Assistants' golf outing at Pine Ridge, and they hoped for good weather and a good turn-out.

J. Leighton

and violin Conservatory class with Gwen Thompson. Won Good Deed vocal scholarship in her first year of singing.

Joanne Mansoff, of Dauphin, has studied piano six years, trumpet four; also voice for two years, organ one. Her Dauphin "Melody Midgets" quintet of under-sixteens played on the Good Deed show there.

Sherrell Harrison, four years a choir member of the Good Deed Club, was in Daniel "Mac's" recent operetta; won high marks of 84 in the Festival for her singing—and is a track and field athlete at school.

Reva Ross not only has studied piano for eight years, but likes painting. Practises over two hours a day; is studying harmony and counterpoint; last year was a silver medalist, is taking Toronto grade 10 exams this year—and toured as pianist with the Manitoba Schools Orchestra.

From Brandon comes Barry Mitchell who has won local accordion contests and this year won the Good Deed scholarship. Has been on Brandon TV and at that city's anniversary performed before 5,000 people.

Sonia Zyla, at 11, is in her fourth year of music study. In 1956 won Festival grade 1 violin, in 1957 grade 2 violin, and all grades 3 and 4 this year.

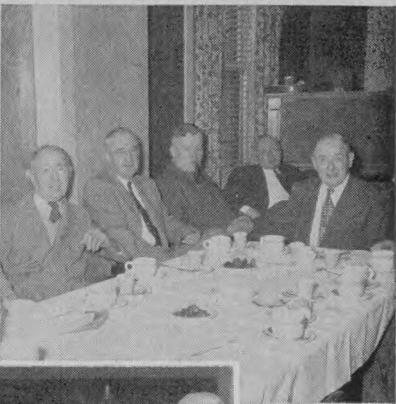

We salute them—and the many others like them!

EATON RINK SCENE OF RETIRED MEN'S RENDEZVOUS

'Twas on Monday midday, April 21, that the Eaton Retired Men's Curling Club gathered for the regular meeting — plus their "becoming-a-good-habit" party of tasty sandwiches, cake, ice cream and pie, and coffee — and Ye Ed and the Studio cameraman were included: thanks! After the festive meats were disposed of several of the men gave "trav-elogues" of their vacation jaunts in the recent past—among them Bill Gould on a Trip to Britain; Archie Ferguson, the Wonders of Hawaii; Sid McKay, the Fragrance of Florida, and Claude Osborne, the Flin Flon Festival. (There was some relation in weather between Florida and Flin Flon, maybe this early spring?) Anyway, it was a good time; and of a membership of about 75, nearly 70 turned up. "Well, be seeing you around," was the parting word!

SALUTE TO MR. M. MALTASE

who recently retired from the staff of Eaton's Port Arthur store. Mr. Maltase on retiring, went south for an extended visit to his daughter's home in Texas and has just returned—looking "like a million" as we can see by this photo. A member of the Eaton Quarter-Century Club, "Mike" is a widower with two daughters and five grandchildren. We join with Port Arthur Eatonians in extending to him every good wish for many happy years of retirement accompanied by good health.

In Memoriam

ARCHIBALD GLENNIE

Mr. Glennie, who had been a member of the Winnipeg Garage staff, retired in 1947 after serving the Company here for 37 years. Ontario born, Mr. Glennie had been living in North Burnaby, B.C., in his retirement, and passed away there April 4 after a brief illness. The sympathy of his former colleagues and all the many other Eaton people who knew and liked him is expressed to his widow Elizabeth, three daughters, son and grandchildren.

MRS. ELSA GORDON LITTLE

Widow of a prominent Winnipeg businessman, and daughter of the late J. C. Gordon, a pioneer settler of this city, Mrs. Little died on April 5. For many years Mrs. Little was in charge of the Gift Court in our Store, and in recent years, before retirement, had been very successful in our Interior Design service. Her ability in that profession had earned her a foremost place in her work and a splendid reputation.

Numerous prominent business and professional men were honorary pall bearers at her funeral, those included from Eaton's being Messrs. R. M. Pinfold, W. L. Palk, F. O. L. Wicks and H. W. Cooper. To her surviving brother, Dr. Keith Gordon of Montreal, goes the sympathy of all Mrs. Little's many friends in this sad loss.

JOHN R. BECKETT

Mr. Beckett was a well-known personality in the Winnipeg Store for many years. Born in Nottingham, England, he joined the floormen staff in 1916 and later transferred to the investigation staff until his retirement in 1935. He was among Manitoba's pioneers in the profession of beekeeping, and later combined this with fur farming at West Kildonan for many years. He had attained the great age of 90 when he passed away on April 5. To his daughter, resident in Los Angeles, his seven grandchildren and 17 great-grandchildren, we convey the sympathy of the many Eatonians and Eaton customers who remember him.

JAMES HUTCHINSON

Mr. Hutchinson joined Eaton's in Winnipeg not long after the Great War, and for most of his more than 27 years was on the staff of the M.O. Men's Clothing. Jimmy, as he was known to his colleagues, retired in 1950 and had been living in Ireland. News of his passing in mid-February has reached his old friend, Mr. W. Johnston of his department, and we tender the condolences of all Eatonians who knew him to his widow and daughter.

The term was for the 12 weeks January 21 to April 8. Congratulations to these Eatonians who have learned to "speak on their feet"!
